

We have taken the characteristics identified in our vision and arranged them under ten headings which are our focus for our curriculum planning, learning and teaching, they are our 'topics' for each half term.

Each child is unique. We partner with families to nurture the ‘whole child’ – by understanding their specific emotional, spiritual and learning needs – so children flourish.

Be the best you can, guided by God.

Through our Christian values and vision
we want our children to be the best they can, Guided by God

This vision has grown from our belief in the Bible verse:
“Do for other people what you want them to do for you.”
 Luke 6:31 International Children’s Bible
