## PUPIL PREMIUM IMPACT REPORT 2015/16

### What is the Pupil Premium Grant?

The Pupil Premium Grant was introduced in April 2011. It is allocated funding from the government for low income families who have been eligible for free schools meals during the last six years. It has subsequently been extended to children who have been previously looked after and those from service personnel families. The purpose of the funding is to close the gap in achievement of these children when compared to all children nationally.

Total Pupil Premium Funding allocation for 2015/16	£1590.93 Carry forward £3220 & Additional funding £2709 £7519.93 TOTAL

This funding has impacted on the wellbeing and learning of this small group of children.

Improvements in confidence, self-esteem and happiness are apparent. This is now impacting on the children's learning.

Good progress is being made in all subjects; this includes the keenness of the children to achieve well. Reading outcomes are much improved with good progress being made. Independent writing is developing fast and there is a positive attitude to learning. Good progress has been made in maths with confidence growing each week.

Due to the very small number of pupils in this group data is not shared in this report.
