NEWS FROM FRIENDS OF BOLNEY SCHOOL

As you'll know from the **WorthLess?** campaign, schools in West Sussex receive among the lowest amounts of money per pupil in the country, and **small schools like ours are increasingly being squeezed.**

The Friends of Bolney School **raise money for enriching equipment and experiences** for all children at the school, as well as providing a **donation towards essential items** each term. Without help from parents and friends, the school would not be able to buy many of these things. They include: amazing forest school sessions, lovely new books, reading support, coach travel for enriching school trips, French lessons, IT support and many curriculum resources, including lovely "Banjo Robinson" letters that have been inspiring Beech Class this term! The children have loved picking out items to buy with the 5p challenge money too.

How you can help:

Your amazing support really is essential to the school.

Does your place of work offer **matched fundraising, grants or raffle prizes?**

We've received £500 from Lloyds and £600 from DHL in the past year! We're a registered charity.

Please volunteer at **events** and come along and support them!

We would love to hear your **ideas** - please get in touch using the details below.

Please do your **online shopping** through easyfundraising.org.uk and Amazon Smile.

Thank you Angie and Sarah!

We would like to thank our wonderful volunteers, **Angie and Sarah**, who have stepped down as Chair and Secretary. They have helped so much to benefit the school over many years and have been loads of fun to work with. Thank you to **Carla and Lisa** for agreeing to take on the roles - they have been buzzing with ideas and energy. Clem will stay on as treasurer. THANK YOU ALL!

School Spirit

THANK YOU!!!

The incredible efforts of parents and friends this year have made a huge difference to the school. Children in year six are loving their outdoor forest school sessions, which will be run for year four children next term. Funds from the Friends of Bolney allowed the school to install this stunning new Willow Play Area - a £14,575 project which benefits children every day, and helps to attract new families to the school, and also a new slide in the back playground for all children to use.

Before ...

And after! A sanctuary for our youngest pupils.

New slide, the children love it!
