### **Return To School Agreement**

Please agree to the following to support the safety of all children, staff and families.

**I will not send my child to school if they, or anyone in our household,** (or any other household my child is staying in) have any symptoms of coronavirus. The main symptoms are:

- High temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- New continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- Loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least one of these symptoms.

**I will not send my child to school if they, or anyone in our household,** (or any other household my child is staying in) have tested positive to coronavirus in the last 14 days, or at any time from today.

**If I suspect my child, or anyone in our household,** (or any other household my child is staying in) is showing any symptoms of coronavirus they must be tested for coronavirus as soon as possible and the result shared with the school.

**I will not send my child to school if they, or anyone in our household,** (or any other household my child is staying in) have been asked to isolate following contact by the test and trace service until school confirms my child can attend.

**I will not send my child to school if they** need to isolate following return from a country that requires self-isolation.

**I will inform the school,** as soon as possible, that my child, or someone in our household, (or any other household my child is staying in) have:

- any of the symptoms of coronavirus,
- tested positive to coronavirus in the last 14 days or at any time from today,
- have been asked to isolate following contact by the test and trace service in the last 14 days, or at any time from today.
- need to isolate following return from a country that requires self-isolation.

Many thanks for your co-operation with this.
