

## **BOLNEY C.E.P. SCHOOL**

### **Home-School Agreement 2019-21**

A child's parents or carers are their first and most important educators. Making sure children grow into positive, articulate and responsible individuals, however, takes teamwork. This is why it is essential that a child's parents or carers and the school staff have a close and effective partnership.

#### **Bolney C.E.P. School's Whole Child Vision**

Each child is unique. We partner with families to nurture the 'whole child' – by understanding their specific emotional, spiritual and learning needs – so children flourish.

Children leave us as fearless lifelong learners, ready to meet the world with self-confidence, curiosity and resilience.

*Be the best you can, guided by God.*

The agreement we make to support your child together, the Home-School Agreement, acknowledges the contribution parents or carers make, and the importance of their relationship with staff within the wider school community.

The home-school agreement will be reviewed and signed each year, by parents and the school, as well as being discussed in class with the children (and signed by KS2 pupils).

- ☺ notify the school by 9.30am if my child is absent on the first day of absence.
